 - o One teacher work day and one digital learning day
- Academic focus
 - o Wanting to add rigor and independent reading
 - o Drop Everything and Read (DEAR) before homeroom each day
 - o More rigor does not mean more work. It is about getting the kids to think deeper.
- Will be having a more rigorous hiring process (looking at lesson planning, ,teaching, and coordination
- Having been doing well on the lottery submissions. We have 94 submissions with 52 spaces available
- We are losing influence in spaulding county. Henry County is the fastest growing area

Academic meeting

- Strong relationship with Mike and his teachers
- There is a struggle with the math teachers being able to see the big picture and come up with a vision

Development Committee

- Working on a video series about the money that is needed and why
