

Joyce M. Christy
7th and 8th Grade Science
joyce.christy@libertytechcharter.org

Ms. Christy started her career as a paralegal in Chicago working in entertainment law with contracts, royalties, and copyrights. She moved to Georgia in 1991 and work at local law firm and later at the mediation office for the Sixth Judicial Circuit. While working as a paralegal, she mentored students at her daughter's school. Ms. Christy felt a calling to help and serve children. She received her Bachelor's of Science from Mercer University in Middle Grades Science 1998; Master's of Education from Georgia College & State University in Instructional Technology 2000; Reading Endorsement from West Georgia University 2006; Orton-Gillingham Certification 2009; Instructional Coaching Endorsement 2014 from Middle Georgia RESA. In 2015, she received the Special Education Impact Award from Middle Georgia GLRS. Ms. Christy has one adult daughter who lives in Texas. She has two dogs and one bearded dragon, Bruce Wayne, who is her beloved classroom pet. On her time off she likes to travel, try new restaurants, and attend cultural events. She loves working with the staff, students, and parents at LTCS. This is the way teaching and learning should be.
