Ms. Green is a graduate of Georgia College and State University where she earned a bachelors degree in Early Childhood Education through the John H. Lounsbury College of Education. She graduated in May of 2017 and is in her first year of teaching, and loving every minute of it. She is originally from Brooks, Georgia and attended Brooks Elementary before Liberty Tech moved into the building. She is thrilled to be back home and to have the opportunity to teach in a project based school. In her free time she enjoys reading and taking her dog, Millie, on bike rides.
