

Lisa Martinez
Sixth and Seventh Grade Science
lisa.martinez@libertytechcharter.org

Mrs. Martinez has been teaching for 14 years. She graduated from Clayton State University in Morrow, Georgia with a degree in Middle Grades Education in 2003. Since then, she has earned her Master's and Specialist Degree at Liberty University Online. Mrs. Martinez has taught elementary, middle school and high school but she enjoys teaching middle school science the most.

She lives in a busy household with a husband and four kids. Her daughter Johanna (12) has great crafting abilities, her son Jonathan (10) loves to draw, and both her youngest sons, Joey (4) and Jesse (2) are full of energy and love to run and play. Lastly, her husband is a counselor and a man of many talents.

Mrs. Martinez is excited to be at Liberty Tech and looks forward to working and growing with all of her students this year.
