March 23<sup>rd</sup>, 2026 | 7:00 PM

VISION - We believe the education process should be innovative, exciting, and a place where the status quo is not tolerated. We do this by creating a holistic community that prepares our students for success by giving them the freedom for self-directed learning, instilling critical thinking skills, developing an engaging and challenging learning environment, and enriching the whole child by focusing on our core virtues: Temperance, Justice, Prudence, and Fortitude.
